Subject: Expression of Interest – Summer Internship in AI/ML

Dear Internship Coordinator,
I hope this message finds you well .

I am Prisha Choithani, a first-year B.Tech (AI/ML) student at VIT Bhopal University (Registration No: 25BAI10004). I am writing to express my interest in a summer internship opportunity with your organization in the field of AI/ML.

I am currently building my foundation in areas such as Python, machine learning, and data handling through coursework and academic projects. For me, AI and Machine Learning are not just my field of study — they are what I actively explore beyond the classroom. I am eager to learn how these concepts are applied in a real-world environment.

An internship at your organization would be a meaningful step in my growth, and I assure you that I would approach it with sincerity, curiosity, and a strong willingness to contribute.

I am available from **May 2026** and would be grateful for the opportunity to be considered.

Thank you for your time and consideration.

Warm regards,
Prisha Choithani
B.Tech (AI/ML)
